

# STEM BRIDGE Scholarship Program 2018 - 2019

## Scholarships

The Virginia Space Grant Consortium (VSGC) provides STEM Bridge Scholarships of \$1,000 to sophomores majoring in STEM. Students must be enrolled full-time in a STEM (Science, Technology, Engineering and Math) program at one of the five Virginia Space Grant member universities. Awards are renewable for one year.

The scholarship program bridges students to future research opportunities as well as NASA and VSGC internships. Students make connections to current VSGC scholars, fellows, faculty and research related to NASA's mission.

Students who are members of a federally recognized minority which include ethnicities such as African American, Native American, Hispanic, or Pacific Islander are strongly encouraged to apply.

## Eligibility

- U.S. citizen
- Enrolled as a full-time undergraduate student (minimum 12 credit hours) at one of the Virginia Space Grant Consortium member institutions
- Must have completed at least one semester majoring in STEM at time of application and be a sophomore during the 2018-19 academic year
- Grade point average of at least 3.0

Students applying for the STEM Bridge Scholarship must be entering or attending one of these universities:

The College of William and Mary  
Hampton University  
Old Dominion University  
University of Virginia  
Virginia Tech

## About the VSGC

The Virginia Space Grant Consortium (VSGC) is a coalition of five Virginia colleges and universities, NASA, state educational agencies and other institutions representing diverse STEM education and research. VSGC offers a wide range of student opportunities including fellowships, scholarships, internships, research experiences, and student flight projects.
